

Les Arteliers

16 rue Droite de la Peyre – 82800 Bruniquel – France - lesarteliers@protonmail.com

Creative retreat

The cost is 300 euros. It includes the workshop, the art supplies, access to the workshop (and the kitchen for lunch), and access to the art books collection. Lodging and food are not included. You can eat your lunch on site with other participants.

The programme displayed on lesarteliers.fr is only one example. Activities depend on the participants' needs and weather conditions. The building has no air conditioned, but it offers a decent natural protection against heat waves, provided we keep the south facing shutters closed.

Participants are informed that activities in the workshop include some risks. They will use sharp tools, objects can fall, clay is heavy and messy, etc. Participants are advised to wear the provided apron to protect their clothes against stains. Participants need to make sure they have their own health coverage (medicare, MSP, travel insurance, etc).

Send your registration form by email and will discuss payment options. 50% of your payment must be processed upon registration (not refundable). The other 50% will be paid on site upon arrival.

Family name : _____ First name : _____
